Dear Joe and friends at Society of Professional Marketing Services,

Thank you for the generous donation valued at \$2,500.00 (Twenty Five Hundred Dollars). Once again the holiday toy drive was a huge success. More than two hundred seventy five families in the inpatient setting and over a thousand children in the outpatient setting have enjoyed a wonderful holiday thanks to your generosity and kindness. Clearly, you share our passion and commitment to easing the stress on all of our families during this time of year.

Dr. Bear's Toy Store allows every parent in the inpatient setting to choose gifts for their sick child and siblings. It would be difficult to overstate how much this means to each and every parent. The children in chemotherapy, dialysis, surgery, radiology, ER, orthopedics and those served by the Mobile Medical Unit in the community, all receive something from their wish list and more! In addition, on Christmas Day, Santa and his elves visit every child to wish them a Merry Christmas. The attached picture truly captures the joy of children and their parents; each year the smiles get bigger!

As we move into a new year we are thrilled to report that the toy closet is full and all playrooms restocked. In addition, the monetary donations allow us to provide toys for children and meet the needs of families all year round. On behalf of all of us in the department of Consumer Support and Volunteer Services thank you from the bottom of our hearts. We wish each and every one of you many blessings throughout the year.

With Gratitude,

A handwritten signature in black ink that reads "Terry".

Terry Orzechowski
Director, Consumer Support and Volunteer Services
